Objective:

Motivated EEE graduate transitioning into IT, seeking an entry-level Front-End Developer role. Skilled in HTML, CSS, JavaScript, React.js, and knowledgeable in frontend frameworks. **Over the past 2 years, I have dedicated myself to learning Java full-stack development, building a solid foundation in both backend and frontend technologies.** With strong problem-solving abilities and a passion for web development, I am eager to contribute to impactful projects and continuously learn in the field.

Education:

Bachelor of Technology in Electrical and Electronics

Vignan's Institute of Information Technology

(2019-2023)

Intermediate (12th)

Sri Chaitanya Junior College

(2017-2019)

Secondary Education (10th)

Sri Kashyap Vidyaaniketan School

(2016-2017)

University project:

Portable dish washer:

A portable dishwasher cleans dishes in three steps: washing, rinsing, and drying. It minimizes the need for manual labor, saving time and effort. Perfect for small spaces, it provides an efficient dish washing solution.

Music player:

I developed this Music Player Website using HTML, CSS, and JavaScript to create an interactive and user-friendly platform for playing music. The website features a simple yet modern design, allowing users to browse and play songs effortlessly.

Internship: (MVK Transformers (March 2023 - June 2023))

I completed a 4-month internship at MVK Transformers in the EEE field, gaining hands-on experience in transformer design, testing, and maintenance. I assisted in quality control, troubleshooting, and documentation. This internship improved my understanding of power distribution systems and electrical components.

Technical Skills:

Programming Languages: Java.

Web Development: HTML, CSS, JavaScript, React.js.

Databases: SQL.

Software Tools: Git, Visual Studio.

Soft Skills: Problem-solving, Team collaboration, Communication, Adaptability.

Certification & Training: (Completion Date (July 2023 – May 2024))

Course in Java full stack in (Packet Prep institute)

Achievements & Activities:

Secured First position in Technical Quiz in college level conducted by VISTA 2K19.

Achieved silver medal in a college level cricket tournament conducted by VISTA 2K19.

Hobbies & Interests:

Designing user-friendly web interfaces.

Exploring new frontend technologies.

Participating in online coding challenges.
